## \* EXPERIENCE

- BEIRUT, LEBANON** **Self-Employed**  
**OCT 2014** **Industrial and Interaction Design, Project Management**  
- **AUG 2016** Executed a variety of projects for clients in Beirut, Dubai, Sierra Leone, and the US. Projects included rebranding a boutique hotel, creating an app for Lebanon's auto insurance market, and designing hardware for an interactive mirror for retail and a photo booth for events.
- 1000 OAKS, CA** **RKS Design**  
**JUL 2009** **Industrial and UX Designer, Project Manager**  
- **SEP 2014** Built up the UX capability at RKS, and led all UX projects. Worked on several projects throughout the process, from research and strategy, to design and branding. Worked on industrial design projects from ideation, through prototyping, and finalization for manufacturing. Led several UX design projects, from content strategy and wireframing, through prototypes, visual design, and finalization for development. Managed several client projects, from start-ups to Fortune Global 500 companies.
- AUGUSTA, GA** **Husqvarna Outdoor Products North America**  
**JAN 2008** **Industrial Design Intern**  
- **JUL 2008** Supported the industrial design team in the design of outdoor products for the Husqvarna, Craftsman, WeedEater, Poulan, and PoulanPro brands.

## \* EDUCATION

- NEW YORK, NY** **School of Visual Arts**  
**2016 - PRESENT** **MFA Interaction Design**  
Design program focused on interacting through making. Working part-time in the school's Visible Futures Lab, assisting students in exploring ways to apply technology and interaction design principles to further their projects.
- SAVANNAH, GA** **Savannah College of Art and Design**  
**2009 - 2005** **BFA Industrial Design**  
While at SCAD, took several interaction design courses, participated in the local IDSA student chapter as Treasurer, worked on several sponsored projects, and was a speaker at the SCAD Global Warming Teach-in.
